ABOUT THE COMPANY

DHWS Building Contracting Co. LLC was established in Dubai as a proud extension of **DHCN Contracting LLC**, a company founded in 1978 and renowned for its excellence in the field of high-rise building development and infrastructure construction. Building upon DHCN's successful overseas presence that began in the UAE in 2008, DHWS continues the legacy under the leadership of the founder's next generation.

With a strong foundation in quality, innovation, and integrity, DHWS Building Contracting Co. LLC is committed to delivering world-class construction solutions across residential, commercial, and infrastructure sectors. The company integrates decades of experience from DHCN with modern construction technologies and a forward-looking approach to project management.

Driven by professionalism, diligence, and a passion for excellence, DHWS Building Contracting Co. LLC strives to emerge as one of the most competitive and trusted contracting firms in the UAE and international market, carrying forward the vision and values that have defined DHCN's success for more than four decades.

DHWS Building Contracting Co.LLC

MESSAGE FROM MANAGEMENT

At DHWS Building Contracting Co.L.L.C, we *build* more than concrete and steel - we build trust, innovation, and excellence. Our projects are landmarks of quality, safety, and sustainability, shaped by our dedicated team and the confidence of our clients. We take pride in contributing to Dubai's *growth*, guided by ***Customer Satisfaction, Integrity, Commitment, and Environmental Responsibility***. Together, we create structures, partnerships, and a sustainable future.

Our commitment extends beyond construction – we focus on building long-term relationships, exceeding client expectations, and leaving a positive impact on the communities we serve. Every project reflects our passion for quality, innovation, and a sustainable future.

With every structure we deliver, we reinforce our promise of reliability and excellence. ***At DHWS, we don't just construct buildings – we build confidence, progress, and a legacy that stands the test of time.***

DHWS BUILDING CONTRACTING CO.LLC

VISION

Our vision is to be a leading construction partner in the UAE, known for delivering high-quality, innovative, and sustainable projects that exceed client expectations.

We strive to build lasting value for communities by setting new standards in safety, reliability, and engineering excellence.

MISSION

Our mission is to execute every project with commitment, professionalism, and technical expertise, ensuring on-time delivery and uncompromised quality.

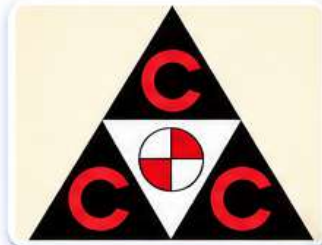

We aim to support our clients with transparent communication, advanced construction practices, and a dedicated workforce.

Through continuous improvement and strong partnerships, we work towards contributing to the UAE's growth and shaping a better-built environment.
